

International Centre of Excellence in Engineering and Management,  
(ICEEM)  
Waluj, Aurangabad.

ICEEM's CHARTER-2013  
(Articles of Organization)

This Charter (Articles of Organization) was approved by  
the Board of Governors in its meeting held on 16<sup>th</sup> July, 2013.  
The Charter shall be in force from 15<sup>th</sup> August 2013.

**(ICEEM)**

## **ICEEM'S CHARTER-2013** **(Articles of Organization)**

### **CONTENTS :-**

- |                  |  |
|------------------|--|
| <b>Chapter-1</b> | <b>Preamble, Mission, Vision, Values, Strengths and Opportunities.</b> |
| <b>Chapter-2</b> | <b>ICEEM's Authorities.</b>  |
| <b>Chapter-3</b> | <b>Academic functioning.</b>   |
| <b>Chapter-4</b> | <b>Finance and Accounts.</b>   |
| <b>Chapter-5</b> | <b>Human Resource Development.</b>                                     |
| <b>Chapter-6</b> | <b>Student support activities.</b>                                     |
| <b>Chapter-7</b> | <b>Campus Management.</b>  |

## **Chapter-1: Preamble, Mission, Vision, Values, Strengths and Opportunities**

- **Preamble.**
- **Mission.**
- **Vision.**
- **Values.**
- **Strengths and Opportunities.**

# **Chapter-1: Preamble, Mission, Vision, Values, Strengths and Opportunities.**

## **Preamble.**

- 1.1 This Charter attempts to set a system of good governance. The promoters have founded ICEEM purely as their humble contribution to India's march to greatness. The rules, accordingly, set a course for its governance based upon selfless service, integrity and efficiency. It shuts out self interest and private gain. ICEEM shall keep going forward with full faith that with the noble cause and the right path it has chosen, it shall, always be entitled to support from philanthropists in India and abroad. Income Tax Department has also granted to ICEEM tax concessions under sections 12A and 80G.
- 1.2 ICEEM is an integrated campus established with the approval of AICTE. It is committed not only to provide all the facilities and services for the students and teachers as are prescribed by the AICTE, but also to do every thing possible to provide world class technical education and research of a very high quality. As the name of the centre suggests, attempts will always be made to build up and to sustain a student friendly and excellent intellectual academic environment.
- 1.3 Location of ICEEM in a large and growing industrial area has immense potential. It will facilitate effective interface between academy of the centre and neighbouring industries. It will provide students of ICEEM an easier access and exposure to most modern industrial processes and practices. It shall also have good scope for campus interviews and placements.
- 1.4 Indian Institute of Rural Workers (IIRW) and the Institute of Technology, Management and Research (ITMR ) are two registered charitable societies and

public trusts. They have jointly established ICEEM as a joint venture with a commitment for nurturing internationally acceptable excellent quality technical education and research in Engineering and Management. Several industrial bosses, successful Entrepreneurs, Educationists, Engineers, Social Workers two of them of world fame and Administrators are among the founders and members of these two societies. All of them are keen to support ICEEM in every possible way. Any society, anywhere, can be proud of such capable and supportive membership.

- 1.5 The two societies have signed a Memorandum of Understanding (MOU) describing their respective roles and shares in the development and management of ICEEM. That MOU shall be the basis of this Charter and all the Rules, Regulations, Byelaws or Procedures made, from time to time, to manage the various activities undertaken by ICEEM and shall be binding in its letter and spirit upon all the authorities, office bearers and officers of the centre.
- 1.6 More specifically, the primary responsibility of repaying, servicing or discharging of all the loans obtained from banks or capital investments made by the two promoter societies for development of ICEEM under the M.O.U. or otherwise, shall be on the ICEEM. The payments of interest and principal installments on the above loans, deposits or investments shall be the first charge upon all the incomes and earnings of ICEEM and shall always be so presented in the financial statements of ICEEM.
- 1.7 This Charter is made to declare the mission, vision and the values which the ICEEM shall follow and accomplish through various activities. The Charter also provides for ICEEM's organizational structure and describes the duties, responsibilities and powers as well as performance appraisal and accountability of ICEEM's various

authorities, office bearers and officers. The Charter may also be called ICEEM's Rules of Governance or ICEEM's Articles of Organization.

1.8 Rules made from time to time by the affiliating University, AICTE, UGC and Directorate of Technical Education, Maharashtra State shall also be binding to the extent they are relevant and applicable.

### **Mission, Vision and Values :**

1.9 We believe that,

- i. India is now marching on the path of all round development and that she has resources, potential and an opportunity to be one of the most developed economies in the world;
- ii. Science and Technologies are, today, the core strengths of the nation and the engines of versatile development;
- iii. It is imperative, therefore, to develop science and indigenous technological capabilities to enhance our competitive edge in the global context;
- iv. Personality development and character are true foundations of success and that real success and effective living are possible only if basic ethical principles are learned and integrated into basic character;
- v. We also believe that, India's progress depends not only on the technological capabilities of younger generations but also on their character, competence and commitment to dedicated services to mankind.

### **ICEEM's Mission.**

1.10 The mission of the International Centre of Excellence in Engineering and Management (ICEEM) is therefore to provide technical education of internationally recognized

high quality, to boys and girls; and to develop among them character, competence and commitment to dedicated service for the advancement and welfare of humanity.

### **Values.**

- 1.11 ICEEM's most important value is the pursuit of knowledge with integrity and commitment and to promote development of integrated community.
- 1.12 ICEEM shall strictly adhere to the norms and specifications prescribed by AICTE. No deficiency in respect of accommodation, equipment or faculty qualification and experience shall ever be allowed. ICEEM shall have adequate facilities for Library, hostels, transport, banking, sports and classes for languages, yoga and entrepreneurship development.
- 1.13 ICEEM shall always attempt for improving employability of its students and securing appropriate placements to them.
- 1.14 ICEEM management shall be teacher and student friendly. Human resource development shall be the basic approach and all reviews and performance appraisals shall be made to ensure improvement.

### **Strengths and Opportunities.**

- 1.15 ICEEM fortunately has a fair number of large Industry Bosses and successful entrepreneurs closely associated with its establishment and management. ICEEM is also advantageously located on the Pune-Aurangabad highway and in the heart of one of the most active industrial estates in Maharashtra. Because of these advantages ICEEM has a great potential for closer collaboration with the local industries by providing appropriate training and short term courses for their employees and designing and undertaking research useful to them.

1.16 Additionally, ICEEM students will immensely benefit, from good exposure and access to neighbouring modern industries and to their new machines, processes and practices. ICEEM students shall also enjoy good opportunities for employment through campus interviews and awareness of changing requirements of modern industries.

**Vision.**

1.17 With these strengths and potentials, ICEEM aspires, by 2025, to be one of the hundred best Engineering & Management College campuses in India. Several new courses shall be added and post graduate teaching and research will commence from 2014. ICEEM aspires to raise its annual intake capacity to 500 by 2015 and to 1000 by 2025. We will be producing annually five hundred world class technologists and patriots from 2015 and double that number by 2025.

1.18 We are confident of mobilizing all available human, organizational, financial and technological resources. ICEEM has the requisite will and determination to fulfill its mission and accomplish its vision.

1.19 The Board of Governors has endorsed and adopted the above provisions on mission, values, strengths and vision through its Resolution No.1 in its second meeting held on 4<sup>th</sup> June 2012. That Resolution No.1 also recorded the expectations of the BOG, that – ICEEM will soon be built up as a high performance organization; and everyone concerned will contribute utmost to accomplish ICEEM’s mission, vision and values to be one of the One Hundred best Technical Campuses in India by 2025.

=====+++=====

## **Chapter-2: ICEEM's Authorities.**

- **Board of Governors (BOG).**
- **ICEEM Advisory Committee (IAC).**
- **Academic and Research Council (ARC).**
- **General Management Council.**
- **The Chairman.**
- **The Vice Chairman.**
- **Members of BOG, ARC, GMC and other committees.**
- **The Director.**
- **Organization structure.**

## **Chapter – 2: Board of Governors**

### **Board of Governors**

- 2.1 The Board of Governors (BOG) shall be the chief academic and administrative authority for ICEEM. It shall provide leadership and from time to time, set policies and directions and organizations' overall programme from year to year and engage in longer range planning and monitoring of execution of various plans, programmes and activities taken up for accomplishing its mission.
- 2.2 BOG shall ensure that, ICEEM adopts all the best practices possible in different situations and steadily keeps on its endeavors to become one of the one hundred best Technical Campuses in India by 2025. BOG should further ensure that, ICEEM is quickly built up as a high performance organization with all the capabilities required for fulfilling its mission and vision.

The following shall require BOG's approval ;

- i. Annual Performance Report;
- ii. Audited accounts;
- iii. Plan for medium term (five years) and or a long range plan (10 years);
- iv. Any new activity costing above Rs.25.00 Lacks annually;
- v. Appointment of Director;
- vi. Performance appraisal of director and appointment and performance appraisal of teaching and non teaching officers drawing monthly salary of Rs.50,000/- or more;
- vii. Purchase of any item costing Rs.25.00 Lacks or more;
- viii. Any contract valued at Rs. One Crore or more;

- ix. Any acquisition or sale of immovable property;
- x. Borrowing any loan of Rs. One Crore or more;
- xi. Any major change in organization or systems of work;
- xii. Review of the ICEEM's Charter every five years or amendments to existing rules.

BOG's decision in respect of the points (v), (ix) and (xii) of clause 2.2, mentioned above, shall be subject to the confirmation by competent authorities of two promoter societies.

- 2.3 The BOG shall be an appellate authority to consider appeals against the orders of all other authorities or officers of ICEEM. The BOG may appoint an appeals committee to hear such appeals on its behalf.
- 2.4 No group of people should display a greater commitment to ICEEM than the member of BOG.
- 2.5 BOG members who have agreed to work for ICEEM must set the tone for other philanthropists, investors, industrialists and members of other professional groups.
- 2.6 Members must support ICEEM and encourage others to be enthusiastic about its programmes and activities. They must support ICEEM more tangibly with money, demonstrating that those at the top as members of BOG are 100 percent committed to it.
- 2.7 With this in view every member of BOG must contribute at least rupees one lack, every year, personally and also bring other outside donations of at least rupees four lacks every year. Chairman and Vice Chairman are expected of course to do much more than this.
- 2.8 Let us clearly understand that the next formative five years may be crucial to ICEEM. Its success on academic fronts also depends on how it does in raising of funds. With the pressing demands for servicing of bank loans and other deposits, as

well as rising costs of buying equipments and maintenance work ICEEM may be at a grave risk unless we raise funds at least to fill in the gaps.

- 2.9 Our friendly potential donors are already asking “What percentage do your members on BOG and other authorities contribute to ICEEM?” Those donors would support if they find that at least 20% of moneys raised are coming from the inner core group of BOG members.

(Note: Nominee Members of AICTE, State Government and University and the Director and Faculty members of ICEEM on BOG are not covered in clauses 2.4 to 2.9 above.)

- 2.10 BOG shall from time to time also initiate one or more schemes or campaigns for fund raising and monitor their outcomes.

- 2.11 BOG may create one or more special funds for specified purposes related to ICEEM’s activities and give directions for earmarking annual contributions to such funds and for keeping separate accounts for them.

- 2.12 The BOG shall monitor how the financial controls specifically provided in this Charter or those generally applicable to Charitable Societies and Trusts are being followed in actual practice.

- 2.13 BOG shall be getting periodical performance reports on ICEEM’s various activities. It may, at any time, also ask for a special report on any activity or issue from the Director.

### **Formation of Board of Governors:**

- 2.14 The BOG shall have 21 members including the Chairman and Vice-Chairman. AICTE’s directions pertaining to membership shall be followed. BOG’s functioning may not, however, be vitiated on the grounds of vacancies of membership or the

absence of nominees of the University, AICTE or Directorate of Technical Education from any meeting.

- 2.15 Two members shall be from AICTE, Two from State Government and one from affiliating university. Two members shall be from regular staff. The Director of the centre shall be BOG's Member Secretary.
- 2.16 10 members including Chairman and Vice Chairman are thus earmarked. One membership shall be reserved for an eminent personality to be nominated by the Chairman in consultation with the Vice-Chairman.
- 2.17 Out of the remaining 10 members 5 each shall be nominees of the two promoter Societies viz. IIRW and ITMR. How those 5 names will be selected and whether one or more of them may be from outside their membership will be decided by each society for itself. AICTE's instructions as regards the membership shall, however be binding on those nominations.

Requirements for membership of BOG prescribed by AICTE in its manual of 2013-14 are shown in **Appendix-I**.

- 2.18 As far as possible the Chairmanship may go to the two promoter societies alternately.
- 2.19 The nomination of the BOG members on the ARC, GMC or other committees shall be made by the Chairman in consultation with the Vice-Chairman. This applies also to nominations on ARC/GMC and other committees from outside the BOG membership.
- 2.20 BOG's term shall be 5 years from the date of its first meeting. The term of the first BOG shall also be 5 years. Vacancies arising during the term shall be filled from the

appropriate categories by the Chairman in consultation with the Vice Chairman for its remaining term.

### **ICEEM ADVISORY COMMITTEE.**

2.21 BOG shall constitute a high level ICEEM Advisory Committee (IAC) to advise BOG and other authorities of ICEEM on :

- Best practices to be adopted in Academic and General Management;
- Recent advances in Science and Technology;
- Innovations in teaching methods and approaches in India and abroad;
- Changes in global environment; and
- Any other matters having a bearing upon quality of Technical Education.

2.22 The IAC shall periodically evaluate how ICEEM is or is not progressing on its path for Excellence in Technical Education and what should be done to improve its performance.

2.23 The IAC shall, from time to time, address groups of faculty members and officers so as to motivate them for better performance in competitive global context.

2.24 All members of IAC may be occasionally invited to participate in joint meetings with the BOG to help formulate important strategies, plans, policies or programmes. Such joint meetings may be useful to IAC also to understand ICEEM's intentions and capabilities for future development.

2.25 The IAC shall have 5 members. It shall itself decide on the frequency of its meetings and procedures to be followed. The Director shall be a permanent invitee on IAC.

2.26 ICEEM's Dean of Engineering Faculty shall work as Member Secretary of IAC, keep minutes of its meetings and communicate IAC's observations and

recommendations to the Director. The latter shall promptly process them for consideration of ARC/GMC and BOG.

### **Academic and Research Council And General Management Council :**

- 2.27 With a view to have division of work and to allow for a detailed analysis of specific areas before they are discussed in the BOG, ICEEM shall have two committees viz.
- i. Academic and Research Council (ARC) for academic and research sectors, and
  - ii. The General Management Council (GMC) for general (other than academic) matters.
- 2.28 The two committees shall function as Authorities of ICEEM and help to accomplish the BOG's work effectively. Their responsibility extends to all matters pertaining to ICEEM's organization and performance in accomplishment of its mission. This includes the matters mentioned as responsibilities and powers of BOG.
- 2.29 In all their functioning, the two committees shall, in fact, be working as sub committees of the BOG and as such are accountable to BOG. This accountability applies even to matters fully delegated to ARC or GMC (not reserved for BOG's approval). Reciprocally, the ARC and GMC shall initiate and formulate proposals (where necessary by mutual consultation) and make recommendations for BOG's consideration in all matters reserved for BOG's approval.
- 2.30 The subjects grouped as academic and general as specified spheres of the two committees are shown in **Appendix-II**.
- 2.31 Residual items (not listed in the schedule) shall be in the sphere of GMC. The BOG may modify the grouping as and when necessary.

- 2.32 The Chairman of BOG shall be the Chairman of both the committees. Each committee shall have 9 members. At least 4 out of them should be members of the BOG in addition to the Chairman and the Director. Other 3 members of ARC and GMC shall be appointed by the Chairman in consultation with the Vice-Chairman, out of the members of the two promoter Societies of ICEEM or from outside experts.
- 2.33 The Director of ICEEM who is also the Secretary of BOG (according to AICTE's directions) will be ex-officio member of both the ARC and GMC.
- 2.34 The Director shall be Vice Chairman of ARC and Secretary of GMC. One of the Deans of ICEEM who is senior in age shall be the Secretary of ARC. The other Dean shall be a permanent invitee to all meetings of ARC.
- 2.35 It is expected that, the presence of the Chairman and the Director on BOG, ARC and GMC will help good co-ordination and linkages between the 3 authorities and avoid conflict or overlapping.
- 2.36 Both ARC and GMC may constitute sub committees to study certain aspects in greater detail and to make reports for further action by ARC, GMC or BOG.
- 2.37 A few such committees may be assigned specified items or may be working for a specified period. Some others may be of a long standing nature. All of them shall, however, be reporting to the ARC or GMC, as the case may be.

### **Departmental Advisory Committees:**

- 2.38 With a view to associate a large number of members of the two Promoter Charitable Societies and more particularly to draw upon the experience and insights of successful Industrialists, the ARC shall constitute Departmental Advisory Committees separately for each department including the Library.

2.39 Each committee shall advise the department on :-

- i. Adoption of best practices in teaching and learning ;
- ii. Ideas and inputs for innovative techniques;
- iii. Improving capabilities of faculty members;
- iv. Effective completion of University syllabus.
- v. Creating caring relations with students; and
- vi. Value additions in the growth of the department.

2.40 The Chairman and Secretary of each DAC shall forward recommendations of the DACs to ARC and the HODs, and the Director shall take action or make appropriate proposals for sanction by competent authorities.

**2.41 The GMC shall constitute three sub-committees as follows:-**

*i. Procurement Committee;* to work for purchasing books, computers, furniture, lab equipment and workshop tools and machineries. The Procurement Committee shall be as follows :

- \* Vice Chairman of BOG as Chairman;
- \* 3 members of GMC;
- \* Director of ICEEM as Member Secretary.

*ii. Finance Committee ;* the Finance Committee shall be as follows :

- \* Vice Chairman of BOG as Chairman;
- \* 3 members of GMC;
- \* ICEEM's Auditor;
- \* Director of ICEEM as Member Secretary.

*iii. Construction Committee;* The Construction Committee shall be as follows:

- \* Vice Chairman of BOG as Chairman;
- \* 3 members of GMC;
- \* Architect;
- \* Director of ICEEM as Member Secretary.

2.42 The Finance Committee shall work on the following aspects :

- i. Raising funds;
- ii. Creation and management of special funds and Endowments ;

- iii. Recognition, Prizes and Awards;
- iv. Expenditure control;
- v. Economy in Resource use;
- vi. Internal audit;
- vii. Accounts;
- viii. Store and stock accounts ;
- ix. Statutory audit.
- x. Annual plan; and
- xi. Budget.

2.43 Items of work entrusted to the above three sub-committees are important as ICEEM's growth and success in future depend on our ability to raise funds as well as prudence and probity with which we plan various activities and exercise expenditure control.

2.44 The BOG has endorsed the formation of ARC, GMC and their sub committees and the work, responsibilities and powers assigned to them (Resolution No.2.1 BOG's second meeting held on 7<sup>th</sup> June,2012).

2.45 **Frequency of Meetings: -**

- a) BOG shall have at least three meetings in every academic year;
- b) ARC shall meet at least once in two months and GMC shall meet at least once every month;
- c) Meetings of all authorities will have a continuous serial number;
- d) Quorum for BOG shall be ten;
- e) Quorum for ARC and GMC shall be five;
- f) Quorum for all other committees shall be 60 percent of the membership;
- g) If the required Quorum is not present at the scheduled time of the meeting, then the meeting will be conducted after half an hour from the scheduled time considering members present as valid Quorum of the meeting.

2.46 **Record of Decisions.**

- i. Decisions of all Authorities shall be recorded as minutes. They are required to be confirmed in the following meeting.
- ii. Decisions of BOG shall be recorded in the shape of resolutions which shall also have a continuous serial numbering.

2.47 **Sitting fees and travel expenses.**

At present no sitting fees are paid to any member of any authority or Committee. Travel expenses are reimbursed only to members from outside Aurangabad and that too, to those who claim reimbursement. The BOG may review this from time to time.

**The Chairman:**

2.48 ICEEM has purposefully chosen the model of separation of roles of the Chairman and the Director. In this model, the Chairman:-

- i) Positions the Board of governors to exercise its key oversight responsibility over the Director's performance;
- ii) Reduces the risk of autocratic rule through the system of checks and balances;
- iii) Promotes healthy and more objective deliberations in the BOG; and
- iv) Shares a part of the heavy workload and allows the Director to concentrate on his academic and executive work with his best professional skills;

**Chairman's Role and Required Attributes:**

2.49 The Chairman is usually a person of authority. He is respected by all the stakeholders and the community at large.

- i) He has to provide leadership and lead BOG and other authorities in performing their roles effectively;
  - ii) He should have plenty of time to devote to the job;
  - iii) The Chairman has to set standards of work for the BOG, all the authorities, committees, Director and officers.
- 2.50 The Chairman shall preside over the meetings of BOG, ARC, GMC and other committees where he chooses to be a member.
- 2.51 He should motivate all the authorities and functionaries with his vision for excellent work.
- 2.52 He should coordinate working of various authorities and executives and provide leadership for the effective functioning of ICEEM as an integrated whole.
- 2.53 The Chairman is authorized to nominate members to fill short term vacancies on the BOG, other authorities and committees.
- 2.54 The Chairman may, in certain circumstances requiring immediate action or decisions, take appropriate decisions or order appropriate action in the best interest of ICEEM on behalf of BOG or other authorities. The Chairman should, in all such cases record the reasons why he had to take those actions. All those matters should be placed for consideration of the respective authorities in the following meetings.

### **Vice-Chairman:-**

- 2.55 Vice-Chairman has an important role in ICEEM. Though usually unseen on frontlines. Vice-Chairman of BOG has to provide active support and advice to the Chairman in all his functions. The Chairman may in addition specifically assign some part of his functions or a chairmanship of any committee to the Vice-Chairman based upon the latter's experience or specialization.

2.56 In the absence of the Chairman the Vice-Chairman shall function as Chairman with full authority.

### **Members:-**

2.57 As described above, ICEEM has a well-conceived committee structure which is essential for its effective functioning. Most of the committees are conceived as authorities ( like BOG, ARC, GMC). They have certain responsibilities to discharge, certain functions to perform and certain powers to exercise. The members of all those authorities and committees shall be respected by everyone in ICEEM. Attempts shall always be made to draw upon their individual experience, expertise, social contacts and other resources.

2.58 All this equally applies to other members of the two charitable societies (IIRW and ITMR) who have also contributed in promoting ICEEM.

2.59 All these members are expected, reciprocally, to show regard to the Director, faculty members, officers and staff and particularly so for their high education, experience, opinions and commitments to duty.

2.60 It should, however, be clearly understood that the decision making, programme approving or performance appraising functions are the collective realms of those authorities. Members do not have any of those functions or powers in their individual capacity. No member, no office bearer would, therefore, give any direction, approval or executive instructions, on his own, to any officer or staff of ICEEM. Any officer appearing to be acting upon such unauthorized directions is liable to be questioned.

- 2.61 Concerned with the functioning of ICEEM, members and other friends may genuinely have suggestions to make and mistakes to point out. But they should appropriately be addressed to the Chairman or the Director in writing or orally. Both shall welcome those suggestions and shall certainly follow them up for improvements.
- 2.62 Out of line actions are likely to undermine the discipline and the authority of the Director and may lead to untenable working relationships in the organization. We hope that such situations do not arise at ICEEM at all.

### **How the Chairman and Vice-Chairman shall be chosen?**

- 2.63 The process of choosing new Chairman and Vice-Chairman shall be started at least three months before expiry of the term of BOG. Both the new incumbents should get time to work at least for two months as observers in the meetings of ARC, GMC and to get acquainted with ICEEM's mission, vision, values, the annual performance reports and specially the status of ICEEM's finances. The retiring Chairman and Vice-Chairman should personally brief them regarding ICEEM's current and long term problems. The retiring Chairman should start the process of choosing the new team in good time.
- 2.64 The BOG shall appoint as follows, a panel of seven dignitaries to choose Chairman and Vice-Chairman.
- a) The Chairman of the panel shall be the Vice-Chancellor of the affiliating university. If he declines, a retired judge of the Bombay High Court residing at Aurangabad may be requested to work as the panel Chairman;
  - b) The Presidents of IIRW and ITMR shall be members of the panel;
  - c) Retiring Chairman of BOG shall be a member of the panel;

- d) A distinguished member of BOG to be nominated by the retiring Chairman;
  - e) One representative each from IIRW and ITMR as members.
- 2.65 If any one of categories (b) to (e) is himself a candidate for either of the two positions, he shall not be on the panel.
- 2.66 The two promoter societies (IIRW and ITMR) shall be requested to recommend two names (each) from among their members or from outside for each of the two positions to be filled in the order of priority. There may also be a few more sponsored or volunteering candidates. The panel shall review each case and may even interview them. The panel shall choose from the candidates one person as chairman and another as Vice-Chairman.
- 2.67 As far as possible the panel shall keep in view the existence of two promoter charitable societies and the need to have the two office bearers to represent each of them separately.
- 2.68 Panel's selection shall be mandatory for ICEEM and the retiring Chairman shall issue orders of the new Chairman and Vice Chairman independently or along with the orders of formation of the new BOG.
- 2.69 The question whether in the interests of the two promoter societies it may be necessary to have both the Chairman and Vice Chairman only from among the members of those societies as they are likely to be more committed to the cause may have to be left open because :-
- i) both societies have five other members each as their nominees on the BOG who can protect their respective objectives; and

ii) even a non-member can have commitment to the cause and can protect the lawful interests of both the societies and help to manage ICEEM with fairness between them.

2.70 On balance, the personal attributes, previous experience and commitments to the ICEEM's mission, vision and values should be more precious for ensuring ICEEM's progress.

### **The Director.**

2.71 Director is the Chief Executive Officer in ICEEM both in academic and general (non-academic) matters. He is responsible for getting the job done and done excellently. ICEEM's job is accomplishing its mission and vision by working with its values. The Director and his entire faculty and non-academic officers and staff shall, therefore, understand and respect ICEEM's mission, vision and values and align their own aspirations with them in the spirit of public service. Day by day they are likely to get more and more committed to ICEEM's noble causes and get motivated for doing good to great work. With such an emotional 'fit' ICEEM shall achieve higher organizational performance.

2.72 ICEEM's authorities have been described above. The Director is secretary of BOG and GMC and Vice Chairman of ARC. His presence there will help him to closely understand ICEEM's long term and short term goals and the expectations which these authorities have from his role and performance not only in effectively managing the Centre but also in building it as a high performance organization and as one of the one hundred best technical campuses in India by 2025. The authorities

shall certainly judge the performance of the Director and his academic and non-academic supporting teams in this context.

2.73 The Director should set standards of good work and model ethical behavior, present his own example of commitment and competence and continuously motivate all his colleagues at ICEEM for excellent performance. He should, in all respects be an effective leader of the entire team of employees at ICEEM.

2.74 ICEEM should have intellectual and ethical environment charged with its mission of producing high quality technocrats with strong character.

2.75 The Director shall be accountable to the authorities and shall be making periodical reports to BOG, ARC and GMC on all issues related to ICEEM's work and progress.

More specifically, the Director shall be responsible for –

- i) Providing high quality of technical education and ensuring continuous improvements of that quality, week by week and month by month. He shall always be looking for best practices of teaching, learning and administration and should keenly introduce them in ICEEM;
- ii) Continuously monitoring the performance of each department at ICEEM or of servicing units like library, workshop, PPED or the three administrative sections assisting him in his work and for taking quick actions to correct any faults or weak links in any department, service unit, or administrative section;
- iii) Director shall be supported in his work by three administrative sections. One headed by a Registrar dealing with all academic matters including the Library. The second headed by an Asst. Director dealing

with finance accounts and audit. The third section also headed by an Asst. Director shall deal with all the other administrative matters including HRD and Campus management;

- iv) The Registrar and the two Asst. Directors shall be reporting to and shall be accountable to the Director. The Director shall provide them with the required supporting staff and equipments. The Director shall continuously monitor the working of all the three administrative sections. The sections shall respectively be responsible for prompt actions on day to day issues and for initiating processes for obtaining approvals of various authorities;
- v) The Director may delegate to the Deans or the three Administrative officers any of his powers but responsibility cannot be delegated though those delegated may be made to share it;
- vi) The Director shall prepare an annual plan and budget for the next year and seek approval of authorities in time;
- vii) The Director shall be responsible for maintenance of all accounts including the stores account in the prescribed formats;
- viii) The Director shall ensure effective functioning of internal audit and control over expenditure and overall economy and probity in spending of ICEEM's moneys;
- ix) Director shall-
  - a) Have annual accounts prepared;
  - b) Seek approval by GMC in good time;
  - c) Have them audited by the outside auditor; and

- d) Seek approval of BOG.
- x) The main purpose of Performance appraisal and review process is to motivate employees. It should also encourage employees to put forth their best effort and take initiative at work to achieve both ICEEM's and their personal goals. Timely and accurate evaluation of any employee's success and shortcomings is very useful both to the employee and ICEEM. That leads to a better system of accountability;
- xi) The Director shall be appraising performance of each individual employee especially the faculty members and the three administrative officers. The two Deans, HODs and the three AOs shall in turn prepare performance appraisal reports of their own, their departments or sections and their junior teaching and non-teaching staff. All annual appraisal reports shall be presented to GMC with Director's reviews. Those of the Director himself and his senior colleagues shall be presented to BOG;
- xii) It shall be the duty of the Director to ensure that, provisions of the University Act, Rules, Regulations and the ordinances of the university, directions and procedures of AICTE and DTE are strictly followed, observed and properly implemented;
- xiii) The Director shall be responsible to prepare the proposals and documents of the college, timely to be submitted to *Shikshan shulk samiti, Pravesh niyantran samiti, University or any other body having governance on college;*

- xiv) The director is required to prepare drafts of the contracts, agreements to be made with different parties willing to render services for college. The terms and conditions of such contracts and agreements shall be determined according to the approvals of GMC or ARC;
- xv) The Director is required to oversee and monitor the student support services like hostel, local transport, library, laboratory, canteen, workshop etc. for quality service;
- xvi) The Director shall have the right to cause an inspection to be made by such person or persons or body of the persons as he may direct, of the college , its buildings , laboratories , library, workshop, equipment, hostels maintained by the college, examinations, teachings and other work conducted by the college;
- xvii) The Director has power to cause an inquiry to be made regarding any matter connected with the administration or finance of ICEEM with the prior permission of GMC;
- xviii) The Director shall prepare a five years perspective plan of ICEEM comprising of infrastructure, new educational programs, research and development, student support programs etc., and submit to BOG for final approval; and
- xix) The Director may call feedback on faculty from the students, review the feedback and take corrective actions wherever necessary.

## **Organization Structure.**

- 2.76 The organizational chart on the next page shows the academic and administrative structure as operating in 2013. It shows lines of reporting and accountability. Allocation of subjects among the three administrative sections may be seen at **Appendix-II.**
- 2.77 We shall be reviewing the organizational structure or distribution of work as we get more experience to better assess actual workloads.
- 2.78 Worldwide, the traditional vertical and hierarchical model of organization is being replaced with the new horizontal model which means moving to an action and results driven work force at every level. We will be working on this new model in the next few months. If we see possibilities of changing mindsets, we may start introducing the models at some levels say individual departments.

=====+++=====

## **Appendix-I**

(Extract from AICTE manual of 2013-14)

(According to AICTE's latest directions, membership of BOG and categories shall be as follows:-)

- a) The Governing Body shall have at least eleven members including the Chairman and the Member-Secretary. The Registered Society / Trust shall nominate six members including the Chairman and the Member-Secretary, and the remaining five members shall be nominated as indicated below.
- b) Chairman to be nominated by the Registered Society / Trust. The Chairman of the Governing Body shall preferably be a technical person either entrepreneur of an industrialist or an educationist of repute who is interested in development of technical education and has demonstrated an interest in promotion of quality education.
- c) Two to five Members to be nominated by the Registered Society / Trust
- d) Nominee of the All India Council for Technical Education-Regional Officer (Ex-Officio).
- e) An Industrialist / technologist / educationist from the Region to be nominated by the concerned Regional Committee as nominee of the Council, out of the panel approved by the Chairman of the Council.
- f) Nominee of the Affiliating Body/University/State Board of Technical Education
- g) Nominee of the State Government – Director of Technical Education (ex-officio).
- h) An Industrialist / technologist / educationist from the Region nominated by the State Government.
- i) Principal / Director of the concerned technical Institution (as nominee of the Society/Trust) – Member Secretary.
- j) Two Faculty members to be nominated from amongst the regular staff one at the level of Professor and one at the level of Assistant Professor.
- k) The number of members can be increased equally by adding nominees of the registered Society and by adding an equal number of educationists from the Region keeping in view the interest of the Technical Institution. The total number of members of a Governing Body shall, however, not exceed 21.

## **Appendix- II**

### **Grouping of subjects as Academic and General (Non Academic)**

#### **Group -1; Academic (Sphere for ARC)**

1. Academic Planning.
2. Teaching / Learning and guest lectures.
3. Best Practices in teaching, learning and evaluation.
4. Quality in education.
5. Evaluation and Results Analysis.
6. Innovation & Research.
7. Faculty Development.
8. Extra-Curricular activities.
9. Industry Interface.
10. New Departments and PG.
11. Syllabus extension.
12. Career Oriented Courses.
13. Examination.
14. Performance Appraisals.
15. Periodic reviews and Reports.
16. Recognition, Prizes and Awards to students and faculties.
17. Extension Lectures, Seminars, Conferences and Workshops.
18. Sessional Work.
19. Laboratories and Workshop.
20. Collaborations with other academic and research institutes.

#### **Group -2; Accounts and Finance - Non Academic (Sphere for GMC)**

1. Fund Raising.
2. Financial Planning.
3. Annual plan and budget.
4. Receipts.
5. Economy and Expenditure Control.
6. Internal Audit.
7. Payments.
8. Store Management & Accounts
9. Accounts.
10. Accounts for Special Funds.
11. Endowments / Scholarships.
12. Investments.
13. Loans and their servicing.
14. Banking and Related matters.
15. External Audit.

**Group -3: General - Non Academic (Sphere for GMC)**

1. Work related to BOG and other Authorities.
2. College Admissions.
3. HRD :- Establishment and Employee Development.
4. Students Support Activities:- Hostel, Transport, Insurance, Health Checkups, Finishing Centre, Entrepreneurship Development , Spoken English, Personality . . . Development, Yoga, Sports, Debating Skills , Earn and Learn, Bank Loans, Employment Guidance and Placement Alumni Support, Canteen.
5. Agreements with outside agencies.
6. Campus Management:- Building Maintenance , Greenery, Water Supply, Power , . Telephone, Internal roads, Drainage, Waste Disposal, Solar System, Water Harvesting, Security Services, Fire Protection, Insurance etc..
7. Placement and employment assistance.
8. All other residual matters.

=====+++=====

## **Chapter-3: Academic Functioning.**

- **Director.**
- **Deans.**
- **HODs.**
- **Faculty.**
- **Librarian.**
- **Students.**

### **Chapter-3 Academic Functioning.**

3.1 ICEEM shall always have a scholastic and intellectual atmosphere on the campus. That shall

enable:-

- i) Teachers to contribute their best in teaching; and
- ii) Students to learn the best of technical knowledge and skills as well as build up healthy bodies, healthy minds and sound characters.

3.2 Quality of education depends upon quality of teaching. ICEEM expects all teachers to respect its mission of providing high globally acceptable quality of technical education, take it to their hearts, align their personal aspirations with it and contribute their utmost in accomplishing that mission.

3.3 ICEEM and all the teachers have a clear vision of opportunities available to students and the global challenges and competition they may have to face in future. All the academic functioning, and students support activities are designed to prepare them to avail of those opportunities and to meet those likely challenges.

3.4 We hope that with the awareness of the responsibilities to themselves, their families and society, the students shall not let these good opportunities slip out of their hands.

#### **The Director.**

3.5 Director is the Chief Executive Officer of all academic and administrative matters. His role and responsibilities have been described in the previous chapter (Clauses 2.71 to 2.75) . We do not repeat them here.

- 3.6 Director is the leader of all academic faculties and functions. The entire faculty is answerable to the Director and he and all his teams engaged in academic activities are answerable and accountable to ICEEM's authorities.

### **Role and Responsibilities of Dean:**

- 3.7 Dean occupies an unique place in the continuum of academic administration of ICEEM. A Dean is considered as a facilitating link between the Director and faculty members, staff, and students. The Dean has a crucial role for improving quality of education and protecting interests of students.

### 3.8 **Role of a Dean:**

1. Academic leadership; acting more like a coach for the entire faculty;
2. Mission and vision preaching;
3. Academic planning;
4. Departmental budgeting;
5. Coordinate activities among Management, Director, Departments, Faculty and Students;
6. Effective Management of academic resources;
7. Cooperation and support to the Director especially in academic matters; and
8. Representative of the college for external world.

### 3.9 **Responsibilities of a Dean:**

1. To help and support the Director in academic, developmental and administrative matters;

2. To preach the Mission, Vision and Values of ICEEM to every individual and work for their accomplishment;
3. To lead efforts toward achieving its goals;
4. To evaluate overall departmental productivity. Introduce innovative teaching practices, best practices to be adopted and implemented. Improve university results, quality of projects work, consultancy, research papers, student support in learning etc.
5. To assist authorities in preparing a perspective plan;
6. To determine requirements of the department(s) in consultation with the HODs and Faculty members;
7. To prepare, revise, and introduce new academic programs;
8. To maintain good working relationships with faculty and administration in all academic and non-academic areas;
9. To serve as a liaison with relevant professionals, associations and state and national regulatory and accrediting agencies;
10. To establish and maintain effective communication between students, faculty and the authorities;
11. To oversee the preparation of class schedules and comply with institutional reporting requirements;
12. To monitor, supervise departmental work and evaluate the performance of the faculty and nonteaching staff members of the department;
13. To participate in the governance of ICEEM;
14. To advise in the process of Recruitment, Selection, Promotion, Retrenchment of teaching and nonteaching staff members of the college;

15. To suggest and organize faculty development programmes;
16. To advise in preparing different reports and documents to be submitted to AICTE, DTE, UNIVERSITY etc.; and
17. Additional responsibilities if any assigned by the Director.

## **Head of the Department.**

### **3.10 Responsibilities of the Head of Department.**

1. The HOD shall be the academic head and executive officer of the department. He shall be responsible for effective working of the department and implementation of academic programmes. He shall be constantly working to introduce best teaching and learning practices and to build up excellence in the department. As a leader he should promote team spirit among his junior colleagues by himself working as one among equals. ICEEM shall be more interested in appraising performance of the department as a whole rather than that of individual teachers. He shall oversee and monitor working of all his teaching and non-teaching colleagues in the department with that spirit;
2. The HOD may convene the meeting of the faculty members of the departments, students, faculty and students of the departments;
3. The HOD shall be accountable to the Dean and the Director;
4. The HOD shall be responsible to implement orders and instructions of the Director and the Dean in respect of administrative work, academic programmes and curricular and extra –curricular activities;
5. The HOD shall determine the workload of the department and the requirement of teaching and non-teaching staff members to be appointed in the department and make a proposal to the Dean and the Director;
6. The HOD, in consultation with the Dean, shall make allocation of the subject(s) among the faculty members as per the work load to be shared by the faculty members and prepare time-table of the department;

7. The HOD, in consultation with the Dean, shall make allocations of departmental Curricular and Extra-Curricular activities among the faculty members and the students of the department;
8. The HOD shall have knowledge of the University Act , Ordinances, Statutes and Procedures in respect of Affiliation, Appointment of faculties and Starting new programmes in the department;
9. The HOD shall maintain records of the department in respect of meetings, programmes, assignments to faculty and students, internal assessment, sessional work, correspondence etc.;
10. The HOD shall keep notes of complaints, suggestions and the recommendations of the faculty members/students in respect of departmental work, time-table, allocation of subjects, library, laboratory or any other requirement of the department. He shall submit the information his recommendations to the Dean and to the Director;
11. The HOD shall conduct at least two departmental meetings during each semester / term. Such meetings shall cover departmental problems, time-table, syllabus completion, review of students complains, absenteeism, remedial teaching, co-curricular activities etc.;
12. The HOD shall take student's feedback on each faculty of the department per semester/term, and feedback on the campus once in a year;
13. The HOD shall prepare a programme of sessional and internal assessment in consultation with the faculty members of the Department; and
14. The HOD with the help of faculty members shall compile the attendance data of the students and submit report to the dean for further processing.

### **Duties and Responsibilities of Faculty Members:**

- 3.11 ICEEM considers all faculty members as its partners in accomplishment of its mission. We therefore expect every faculty member, first to know and then to imbibe ICEEM's mission and values. We do expect that every faculty member gets involved and contributes his utmost towards accomplishing ICEEM's mission and vision.

- 3.12 ICEEM aspires to be one of the best 100 technical campuses in India by 2025. Earning such a high reputation depends entirely on how the faculty works and behaves. ICEEM expects that every faculty member takes this to his heart.
- 3.13 ICEEM expects best from every teacher, who must use his potential for the development of the college, as well as building careers of students. It shall be ICEEM's policy to help teachers advancing in their careers

**Duties and Responsibilities of faculty members are shown in Appendix- III**

**Librarian:**

**Duties and Responsibilities of the Librarian.**

- 3.14 The Librarian shall be the chief officer of the library. He shall work directly under the Dean (MBA). The following shall be his duties and responsibilities:-
1. Keep on making continuous improvement of library services and build up a scholastic environment in and around the library so as to make it a model of technical campus library;
  2. Provide guidance, encouragement and assistance in searching, referencing and use of modern library techniques;
  3. Provide prompt and courteous library services to office bearers, officers, members, teachers and students;
  4. Organize programs, competitions and activities to encourage students. (Like Book exhibitions, Display of new arrivals, Reader's club, Reviews on books, Library week -14<sup>th</sup> Nov. to 20<sup>th</sup> Nov);
  5. Forecast future requirements of the library and follow up with higher authorities;
  6. Make appropriate proposals before the library advisory committee and ICEEM's higher authorities and secure their support for them;
  7. Implement all approved programmes efficiently;
  8. Work as a custodian of all books, periodicals, manuscripts, journals, library equipments including computer and computer software installed in the library, and furniture of the library;
  9. Ensure that, no irregularities take place and that the books, periodicals manuscripts, journals, library equipment including catalogue, computer and computer software, and furniture of the library are not damaged or lost;

10. Maintain records of the library, records of books, periodicals, manuscripts, journals, library equipment including catalogue, computers and furniture;
11. Maintain books and journals in good condition. Should take up binding work of damaged books, and making of volumes of periodicals after every six months;
12. Eliminate scrap, old, redundant, or useless books, from the record and dispose waste newspapers and periodicals by following proper procedure; and
13. Periodical verification of stock of the library. Verification of library equipment, furniture and fixtures must be made annually in summer vacation, and the verification of books, periodicals, manuscripts, journals after every 3 years.

### **Rules for Library Users:**

3.15 Following shall be the rules for Library users :-

1. The library shall render services to library members only, they include ICEEM Students, Teaching and Non-teaching Staff, members of BOG and various committees, as well as enrolled members from the public. Membership fees shall be Rs.300 per annum.
2. Library services include facilities like reading room, e-library, reprography, OPAC, books, newspapers, periodicals, journals.
3. Every student shall pay a deposit of Rs.2000 (Refundable) at the time of admission; Such deposit will be refunded on the demand of student at the time of leaving the college. Faculty members and other enrolled members shall also pay a deposit of Rs.2000.
4. ICEEM shall charge Rs.1000 per annum to every student for following library services:-
  - Reading room fees Rs.250.
  - E-library fees Rs.250.
  - Internet service Rs.250.
  - Library fees Rs.250.

The fees shall be collected at the time of admission only.

5. Maximum 2 books shall be issued on weekly basis to the students and enrolled members . A fine of Rupee One per day per book will be charged for late return.
6. Maximum 5 books shall be issued on weekly basis to faculty members. They are expected to clear their library account before 30<sup>th</sup> April every year.
7. During examination period a student is allowed to take maximum 2 books on payment of Rs.250 per book as deposit. Such books must be returned within 3 days after the examination is over. A fine of Rs.5 per day per book will be charged for late return.
8. A member is liable to compensate for the loss or damage of book, journal or any other library property issued on his/her name. In case of the loss of regular/study books a member can compensate by paying the price of recent edition or giving a substitute copy of recent edition. However, in case of rare books, he/she shall be liable to pay ten times of the price of the book or Rs.1000 whichever is more.
9. ICEEM shall raise a library development fund. All the donations received for library development, fine collected from students, amount received against library fees , reading room fees, e-library fees, disposal of old newspapers and waste papers, shall be credited to the library development fund. The amount shall be used only for library and its development.
10. Enrolled members shall be given membership cards along with receipts for deposit and annual fees.

### **The General Code of Conduct and Discipline for Students:**

- 3.16 We are confident that our students having opted for BE, MBA or higher studies at ICEEM have a strong sense of discipline and good conduct as well as a sense of responsibility required for their future leadership roles in society.
- 3.17 ICEEM believes in voluntary discipline and expects that occasions for enforcing the discipline rules would be rare.

- 3.18 There shall be a discipline committee consisting of two deans i.e. the Dean MBA and the Dean Engineering to monitor and administer discipline in college campus. The committee shall make enquiry in cases of indiscipline and make report to the Director.
- 3.19 There shall be separate dress code for engineering and MBA students to be decided by the GMC from time to time.
- 3.20 Every student admitted to the college is required to wear a dress shown in the dress code of the college for all working days. Besides, every student is expected to attend college functions and programs in the prescribed dress only.
- 3.21 The rules regarding **General Code of Conduct and Discipline for students** are given in **Appendix-IV**

=====+++=====

## **Appendix-III**

### **Duties and Responsibilities of Faculty Members**

Every faculty member is expected--

1. To be present in the college premises during office hours;
2. Engage lectures and practical sessions punctually according to the time table;
3. Prepare a teaching plan of the subject(s) at the beginning of the year/semester and get it approved from the HOD;
4. Suggest sources of learning to students;
5. Adopt and make the use of best and innovative practices in teaching;
6. Evaluate students according to the method determined by the college/university;
7. Record the attendance of every lecture, compile the attendance at the end of every month and submit the report to the HOD;
8. Communicate the attendance and performance of students according to the directions of HOD;
9. Make a report on the status of syllabus completed at the end of every month;
10. Complete the work of teaching of syllabus and practicals before the commencement of examinations. If necessary conduct extra lectures and remedial teaching programme for weaker students;
11. Pay more attention and care for the students who may be weak in their studies and the students from weaker sections of the society, so that, they will feel free and will not hesitate for directly accessing their teachers and resolving problems.
12. Adopt a group of 5 to 10 students to build and develop informal close relationship and to guide them in respect of their careers as well as their personal problems;
13. Try to motivate weak as well as bright students in respect of their career and development.
14. Study the ordinances, rules and contents of the syllabus given by the university/examining body;
15. Look to the details of the sessional work to be completed by students and internal assessment to be made by the faculty, as prescribed by the university/examining body; and
16. Build healthy contact with GO's and NGO's, Academicians, Industrialists and Alumni.

## **Appendix-IV**

### **General Code of Conduct and Discipline for students**

- 1) Every student must possess and carry identity card during his/her presence in college campus.
- 2) Students are advised to be in proper dress as per the dress code determined by the college on every working day.
- 3) Students shall follow timetable punctually and attend lectures and practicals regularly. Attendance at lectures and practicals is compulsory.
- 4) Observance of discipline in class room, laboratory, workshop, canteen, hostel and college campus is mandatory. Misconduct and misbehaviour including mischief, shouting, quarrels, teasing, abusing, arrogance, use of battery, causing hurt and grievous hurt and ragging etc. are prohibited in college campus.
- 5) Students are not supposed to invite any outsider, friend or student/s from other college/s, in college campus or in hostel without permission of college authorities.
- 6) Students shall not write anything on inner or outer walls of the college, class room boards, toilets, etc. Pasting of posters or inscribing of textual or graphic material in or outside the class room is prohibited.
- 7) Students should not misuse, damage or dislocate any property of the college like furniture, laboratory equipment's, library books, etc.
- 8) Students can make proper use of their leisure hours and free time in the library, I. T. Lab, sports room and canteen only. Sitting on the staircase and in front of the entrance gate, loitering in veranda, leaving the college campus for private reasons during free time must be avoided.
- 9) A student is not expected to leave college campus for any reason during working hours.
- 10) Attendance to college programmes, curricular and co-curricular activities is obligatory.
- 11) Every student must complete the prescribed sessional work (Tests, Tutorials, Assignments, Homework, Library work, Projects, Reports, Industrial visit reports, Midterm exam etc.) within the time given by the department or the concerned teacher/guide.
- 12) Attendance to national programmes like Independence day, Republic day and State programmes like Maharashtra day, Muktsangram din and University day is mandatory.
- 13) Students are not allowed to give any notice directly to other students. Use of college notice board for such a notice or any other private notice is not allowed.
- 14) Use of mobiles/cell phones, i-pods, headphones etc are not allowed in classrooms.

- 15) Parents, relatives, friends and outsiders are not allowed directly to the class room.
- 16) Vehicles must be parked on the parking place only.
- 17) Valuables such as ornaments/ jewelries are not allowed in college premises.
- 18) Indulging in any political activity in college campus is not allowed.
- 19) Ragging is strictly prohibited in college premises. For more details students are advised to read the UGC Regulation on Curbing the Menace of Ragging in Higher Educational Institution, 2009. It provides for more stringent punishments.

### **MISCONDUCT**

Following activities will be treated as misconduct:

1. Disruption of teaching activities or disturbing the learning process of other students.
2. Acts which disrupt the functioning of the college, endanger health and safety of students, or employees, and other persons and damage the college properties or environment.
3. Smoking of cigarettes, chewing tobacco/ghutka, chewing gum and consumption of intoxicating beverages.
4. Possession of weapons and/or creating violence in the college campus.
5. Use of obscene or unparliamentarily language with college authorities, staff, fellow students and others.
6. Deviations from the prescribed discipline or violation of the code of conduct.
7. Damaging or stealing of books, study notes, equipment, apparatus, or any property in the College campus.
8. Indulging in practices prohibited under Mal-practices in Examination Act.
9. Ragging.
10. Any antisocial activity or acts under political influence likely to harm the campus environment

### **DISCIPLINARY ACTIONS:**

Misconduct may lead to one or more of the following disciplinary actions:

1. A warning by the authorities;
2. Report to the parents or guardians;
3. A fine;
4. Detention from examination;
5. Blacklisting of name;
6. Withdrawal of concession, privileges, scholarships etc.;
7. Suspension from the class lecture or for a few days;
8. Suspension of campus privileges e.g. library, laboratory, hostel accommodation etc.;
9. Expulsion from the college.
10. Any other disciplinary action considered appropriate by the college authorities.
11. The Director, on his own or on a complaint, may cause an enquiry and impose appropriate punishment;
12. The GMC shall be the appellate authority on the Directors' order;
13. In the case of ragging a student shall be liable for punishment according to the law in force and the UGC regulations, 2009.

## **RAGGING:**

All students seeking admission in ICEEM shall note that:-

Ragging is strictly prohibited in the college premise. Any one found guilty of ragging or abetting ragging is liable to be punished. Regulation No.4 of UGC regulations on curbing Menace of Ragging in higher educational institutions 2009, prescribes the following punishable ingredients of ragging.

- Abetment to ragging;
- Criminal conspiracy to rag;
- Unlawful assembly and rioting while ragging;
- Creating public nuisance during ragging;
- Violation of decency and morals through ragging;
- Injury to body causing hurt or grievous hurt;
- Wrongful restrain ;
- Wrongful confinement;
- Use of criminal force;
- Assault as well as sexual offences or unnatural offences;
- Extortion;
- Criminal trespass;
- Offences against property;
- Criminal intimidation ;
- Attempts to commit any or all of the above mentioned offences against the victim(s);
- All other offences following from the definition of “Ragging”.

## **PUNISHMENT FOR RAGGING:**

The Regulation No. 8 of the UGC regulation on curbing the Menace of Ragging in Higher Educational Institutions, 2009, depending upon the nature and gravity of the offences as established by the anti-ragging committee of the institution, the possible punishments for those found guilty of ragging at the Institutional level shall be one or more of the following:-

- Suspension from attending classes and academic privileges.
- Withholding/ Withdrawing scholarship/fellowship and other benefits.
- Debarring from appearing in any test/ examination or other evaluation process.
- Withholding results.
- Debarring from representing the institution in any regional, national or international meet, tournament, youth festival etc.
- Suspension/ Expulsion from the hostel.
- Cancellation of Admission.
- Rustication from the institution for period ranging from 1 to 4 semesters.
- Expulsion from the institution and consequent debarring from admission to any other institution for a specified period.
- Fine ranging between Rs.25000 /- and Rs.100000/-
- Collective punishment: When the persons committing or abetting the crime of ragging are not identified, the institution shall resort to collective punishment.

**Note:**

In prospectus all students and parents / guardian must be advised to carefully read the UGC regulation on curbing the Menace of Ragging in Higher Educational Institutions, 2009. A copy of the regulation is to be displayed on the notice board of the college. Students and parent / guardian must be asked to submit an undertaking in respect of ragging. The proforma of undertaking should be supplied along with the admission form of the college at the time of admission. It is also necessary that a college must give in its prospectus, report on ragging incidents happened in the college during last year.

=====++=====

## **Chapter-4: Finance and Accounts.**

- **Raising funds.**
- **Creation and management of special funds and endowments.**
- **Recognition, prizes and awards.**
- **Expenditure control.**
- **Economy in resource use.**
- **Internal audit.**
- **Accounts.**
- **Store and stock accounts.**
- **Formal (outside) audit.**
- **Budget.**

## **Chapter-4 Finance and Accounts.**

- 4.1 This chapter explains accounting procedures and financial controls. It describes financial planning, budgeting and reporting requirements which ICEEM has to meet to maintain its concessional tax status.
- 4.2 The rules provide for internal checks and controls designed to have transparency in all operations and simultaneously to emphasize economy and probity in spending public moneys.
- 4.3 No authority in ICEEM can afford to be casual about these matters. They are essential for:-
- i) sustaining activities and fulfilling ICEEM's mission;
  - ii) steadily building institutional capabilities;
  - iii) meeting the minimum requirements which ICEEM's donors may want as an assurance that their donations are safe and are being utilized for appropriate objectives; and
  - iv) discharging responsibilities legally binding on ICEEM as a joint project of two charitable societies.
- 4.4 As the Chief Executive officer of ICEEM, the Director is responsible for effective compliance of internal checks and controls of expenditures, and economy and probity in spending of ICEEM's moneys. He shall be preparing an annual plan and budget for the next year. It is his responsibility to provide for an effective internal audit, for maintaining all accounts including the stock and stores account in the prescribed formats and for getting the ICEEM's annual accounts audited by the auditors appointed by the BOG. A sound system of internal audit, expenditure

control, budgeting and auditing is essential to attract support from the philanthropists around.

4.5 Any irregularity or intended or not intended misuse of funds or materials should be reported in writing to the Director who shall make a report to the GMC through Chairman.

4.6 An Asst. Director shall assist the Director in all matters related to finance, expenditure control, internal audit, annual plan budget, accounts and outside audits. He will be accountable to the Director. The latter may delegate some of his work and powers to the Asst. Director. But the responsibility cannot be delegated.

4.7 The Director shall provide competent officers to work as internal auditor, accountants and for attending to related work.

4.8 **Creation and Management of General Fund and Special Funds:-**

- a) ICEEM shall create and manage a general fund and other special funds and keep their accounts separately;
- b) All conditional donations/endowments received shall be credited to *ICEEM's Special Endowment Fund Account*;
- c) ICEEM shall also create and maintain separate accounts of each special fund and endowment (such as General Fund, Library Development Fund, Prizes and Awards Fund etc.);
- d) ICEEM shall also maintain separate accounts of each endowment;
- e) The amount standing at the credit of '*General or Special Fund Account*' may be invested in any nationalized bank as a term deposit;

- f) Interest received on Bank investment, first of all, shall be credited to '*ICEEM's fund account*' and then allocated to the respective special funds account in proportion of the fund invested from that account;
- g) ICEEM may utilize the earmarked amount of the fund and interest standing at the credit of respective funds account after charging 10% of annual earned interests as administrative expenses;
- h) ICEEM shall give a receipt for every donation/endowment with a letter of thanks. The receipt shall show IT concessions available to the donor u/s 80G; and
- i) Conditions laid down by the donors in respect of the donation given shall be followed by the ICEEM. They should be shown on the page of the respective endowment account.

4.9 **Recognition, Prizes and Awards:-**

Please see Appendix-V (Chapter-5)

4.10 **Expenditure control:-**

- a) ICEEM shall have an internal audit procedure for expenditure control;
- b) Asst. Director shall prepare budget for the next year;
- c) Authorization limits of expenditure shall be determined from time to time by the GMC;
- d) Asst. Director shall ensure that, every expenditure has been duly authorized and has a budget provision;
- e) Appropriations between budget heads shall be made with the approval of the GMC; and
- f) Out of budgeted expenditures shall be incurred with the permission or approval of the GMC only.

4.11 **Economy in resource use:-**

ICEEM shall take care to make economy in spending and on optimum utilization of its resources. Savings and additional income may be generated by –

- a) Temporarily renting out land or halls in the building for educational activities, such as conducting written examinations, tests , seminars , conferences, training programmes , industrial exhibitions , sports events , campus recruitments etc.;
- b) providing computer and I.T. labs for online examinations, software training programmes etc.;

- d) making use of *e*-environment and minimizing paper work;
- e) allowing out-side people to use library facility;
- f) providing photocopying services on nominal charges to the students and outside people;
- g) using college camera for taking photos of college programmes instead of seeking services of professional photographers;
- h) determining monthly print limits on computer to every department, faculty members;
- i) determining monthly phone call limits to office , departments, and individuals; and
- j) Additional job allocations to faculty and non-teaching personnel.

4.12 **Internal audit:-**

- a) ICEEM shall implement internal audit system for effective control of expenditure;
- b) The Internal Auditor of ICEEM shall be responsible to verify each proposal of spending or payment and expenditure, for availability of budget provision, compliance with regular procedure and authorization by the competent authority; and
- c) Unless the proposal is validated by the Internal Auditor no expenditure will be incurred and no payment shall be made.

4.13 **Accounts:-**

- a) ICEEM shall adopt computerized accounting system and shall maintain financial accounts on computer;
- b) ICEEM shall adhere to all applicable accounting standards in maintaining financial accounts;
- c) Asst. Director shall arrange, from time to time, a training programme of accounting software operation for the office staff;
- d) Asst. Director shall monitor and oversee accounting operations and ensure that, required security measures, such as data backups, data storage, validations and signature have been properly operated;
- e) Asst. Director shall only be authorized to make and record reasons for changes and corrections in existing accounting data records. For this purpose Asst. Director shall put up a requisition (on requisition register) to the Director and seek his approval for changes/corrections in existing records;

- f) ICEEM shall ensure required internal checks and preventive measures in respect of cash receipts, cash payments, salary, billing, material purchase, material issued, filing of statutory returns etc. Asst. Director shall be responsible for compliance. He may prescribe a system for each;
- g) ICEEM shall adhere to the following accounting procedures:-
- i. Daily posting of cash transactions.
  - ii. Taking hard copy of cash book for the day's transaction at the closing office hours.
  - iii. Pre checking of every transaction before its further processing.
  - iv. Monthly Reconciliation.
  - v. Quarterly balancing of accounts.
  - vi. Half yearly closing.
  - vii. Monthly feedback on Fees Account.
  - viii. Maintaining donations accounts separately.
  - ix. Requisition register for payments.
  - x. Maintain Cheque issue register.
  - xi. Use of pre-printed stationary for Dr. and Cr. Vouchers.

4.14 **Store and Stock accounts:-**

- a) ICEEM shall have Store for storing different kinds of goods and materials;
- b) ICEEM shall appoint a store keeper for the management of stores. He shall be working in one of the administrative sections and shall be accountable to the Asst. Director;
- c) Stores shall maintain all material movement documents, separate account of each material and store ledger accounts;

- d) There shall be monthly balancing of material accounts and store ledger accounts;
- e) Following shall be the responsibility of the Store keeper:-
  - i) Safety, security, protection and care of material;
  - ii) The store and stocks shall always have an insurance cover;
  - iii) Avoid over stocking and under stocking;
  - iv) Maintain stores records; and
  - v) Periodical stock taking and physical verification under the supervision of an authority nominated by Director;
- f) Following shall be the functions and duties of the store keeper:-
  - i) prepare a list of different types of materials required with vendor details;
  - ii) coding of material for systematic management of stores;
  - iii) proper maintenance of records of material received, issued and in stock;
  - iv) maintaining materials in a tidy manner;
  - v) speedy receipts and issues of stores;
  - vi) provide ABC analysis of materials;
  - vii) accepting material as per GRN (Goods received note). He shall be responsible if shortages or damaged goods are discovered later.
  - viii) issuing materials against duly authorized requisition (indent) ;
  - ix) maintaining the record of material returned;
  - x) stock taking and reporting;
  - xi) maintaining stores ledger accounts; and
  - xii) reconciliation of materials inward and outward.

4.15 **Statutory audit:-**

- a) ICEEM shall, with the approval of BOG, appoint an Auditor to conduct the formal audit of the accounts of ICEEM every year;
- b) Asst. Director shall be responsible for the preparations for formal audit and keep ready all accounts, final accounts, statement of accounts and other records and present them to the GMC before they are passed on to the Auditor;
- c) Director shall present audit report to the GMC and BOG; and
- d) Director should see that the formal audit of ICEEM will be conducted within three months from the date of closing of financial year i.e. 31<sup>st</sup> March.

4.16 **Budget:-**

- a) ICEEM shall prepare a financial budget every year and get it approved by the GMC;
- b) Asst. Director shall prepare budget of each department, hostel, workshop, and other programmes and activities separately with a consolidated budget statement of ICEEM;
- c) Budget statement shall provide estimated and actual data of current year and estimates for the next year;
- d) The budget statement shall include:-
  - i) Statement of course wise enrolment;
  - ii) Statement of course wise revenue from fees;
  - iii) Statement of salary receipts and expenditure on salary;
  - iv) Statement of receipts of specific fees and expenditure on specific fees;

- v) Statement of university fees and expenditure on university fees;
- vi) Statement of library fees and expenses on library;
- vii) Statement of donation and endowments;
- viii) Statement of non-salary heads of expenditure;
- ix) Estimated abstract of budget:-

Receipts:- donations / endowments, specific fees, library fees,  
university and other fees, other receipts.

## **Chapter-5: Human Resource Development.**

- **Human Resource Development.**
- **Performance appraisal.**
- **Employee management .**
  - Appointment.
  - Terms and conditions of appointment.
- **Employee development.**
  - Faculty development.
  - Non-teaching employee development.
- **Recognition of merit and Awards.**
- **Code of Conduct for ICEEM's employees.**

## **Chapter -5 Human Resource Development (HRD).**

5.1 This Chapter more importantly, describes ICEEM's policies on human resources development and performance appraisal of all teaching and non-teaching employees including the faculty and the administrative officers. This chapter also describes general rules of management of employees like recruitment, appointment, terms and conditions of service, salaries, leaves, conduct and discipline and punishments for deviation.

### **Human Resource Development:-**

5.2 Human Resource Development is a process in which ICEEM shall continuously help each one of its employees to acquire and sharpen capabilities required to lift their performance to the level of excellence. ICEEM shall have a performance appraisal or evaluation system also designed to positively encourage employees to contribute their best efforts.

5.3 With this view ICEEM shall –

- i) Have scholastic and ethical environment promoting a high performance work culture;
- ii) Build up team spirit among the employees;
- iii) Increasing emphasis on evaluation of team's performance rather than that of the individuals;
- iv) Promote self-disciplined work culture;
- v) Design performance appraisals to help improve employees capabilities, commitment and contribution; and
- vi) Recognize and reward good work and merit to develop high potential performance.

- 5.4 ICEEM's human resources are the talents and energies of its employees including the faculty and administrative officers. They are all potential contributors to the accomplishment of ICEEM's mission, vision, values and goals. ICEEM shall have a full administrative section dealing with HRD to continuously organize effective programmes for HRD.
- 5.5 ICEEM shall pay attention to choosing the right activities and to operate them with care for their expected impact and to foster individual dignities. Thus HRD at ICEEM shall add and sharpen its employee's capabilities which shall contribute to higher performance of ICEEM as a whole.

**Performance Appraisal (PA):-**

- 5.6 Performance appraisal is the third stage in the process of HRD. Performance planning and performance development are two stages preceding it. The fourth stage of recognition and rewards follows it. All the four stages together create a work environment in which ICEEM's employees perform to the best of their abilities by willing consent and not on the orders of higher authorities.
- 5.7 Performance appraisal is a regular and continuous evaluation of quality, quantity and style of the performance along with the assessment of factors influencing the performance and behavior of an individual employee. It is systematic periodical and an impartial rating of an employee's excellence in his present job and his potential for a better job.
- 5.8 Performance appraisal is not meant to be a fault finding process but a development tool. The performance reviews shall be totally objective. There should be no influence of subjective elements.

- 5.9 The Director shall keep the employees informed from time to time, about the level of their performance and the quality of their work. Its motive is to keep their morale high and to provide scope for individual development through that feedback.
- 5.10 Each employee shall under the guidance of his senior colleague prepare a work plan. There shall be a midterm review and an annual review. Both the reviews may be the result of one or more interaction meetings.
- 5.11 i) A format for PAR shall be introduced with the approval of ARC and GMC.  
ii) BOG may also determine the procedure and prescribe a questionnaire and / or a format for PAR of the Director.

5.12 **Appraisal of Teaching staff:-**

1. Appraisal of teaching staff shall be made on the basis of following sources of information:-
  - a) Self-Appraisal by a teacher; and
  - b) Feedback from students.
2. Every teacher shall submit a self-appraisal form with required details to the respective HOD at the end of every semester;
3. The HOD shall collect students' feedback on every teacher at the mid period of every semester and shall make a report to the Dean and the Director;
4. The contents of Self-Appraisal form and feedback form of teachers shall be determined by the ARC.

5.13 **Appraisal of Non-Teaching staff:-**

5. The appraisal of non-teaching staff shall be made on the basis of Self-Appraisal submitted by the employee at the end of every semester;

6. Every non-teaching employee shall submit self-appraisal with required details to the Administrative officer concerned with his remarks to the Director;

5.14 **Review:-**

7. Review on appraisal of all the employees shall be made by the Director.

5.15 **Communication of review :-**

8. The Director may discuss the points of good or poor performance with the respective employees and counsel them to improve their performance.
9. The Director shall specially make a note of excellent performance of an employee and communicate it to him as his appreciation.

5.16 **Employee Management:-**

**1. Appointments.**

- a) Every appointment of faculty or administrative officers and staff shall be made with the approval of GMC. Appointments carrying salary of fifty thousand or more need approval of BOG. Appointments of faculty may have to be advertised and a selection committee requested to interview candidates and make recommendations to GMC;
- b) ICEEM shall adhere to all the directions and norms prescribed by AICTE, UGC and University in respect of appointments;
- c) The Director shall review, from time to time, the requirements of teaching and non-teaching staff members of the department and shall report to the GMC;
- d) Initial appointments of teaching and non-teaching staff shall be made for an academic year only;

- e) CHB faculty members shall be appointed by the Director on the recommendations of the HOD and Dean;
- f) Regular appointments of faculty members shall be made only after the approval of the University.
- g) An employee may be appointed on Part time or Contract basis; and
- h) The appointment and its continuance is subject to medical fitness of an employee. An employee shall get himself medically examined by competent medical authorities and submit the certificates at the time of joining.

## **2. Terms and Conditions of appointment.**

Following shall be the terms and conditions of appointment of different categories of employees:-

### **5.17 Probation:-**

- a) A faculty member after getting university approval, shall be on a probation period of two years. However, a non-teaching staff member after completing satisfactory service of one year will be on probation of two years;
- b) The period of probation may be extended by GMC if it is found that the employee has not come up to the mark;

### **5.18 Confirmation:-**

- c) The services of an employee may be confirmed after satisfactory completion of probation period;

### **5.19 Resignation:-**

- d) An employee appointed on ad-hoc basis or working on probation may resign by giving one month notice or one month salary in lieu of notice period. However a

confirmed employee may resign by giving three months' notice in writing or on payment of three months' salary in lieu of notice period;

- e) A faculty member resigning mid-term shall be relieved only at the end of the semester or after completion of notice period whichever is later.

5.20 **Security Bonds:-**

- f) ICEEM may ask an employee to furnish a bond of service with ICEEM for a minimum guaranteed period. ICEEM may also ask an employee given work of handling cash or stores to furnish a security bond for a prescribed amount.

5.21 **Leaves:-**

- g) An employee appointed on ad-hoc basis shall be eligible to avail casual leaves and public holidays;
- h) The period of casual leave shall be from 01<sup>st</sup> July to 30<sup>th</sup> June;
- i) Balance of casual leave shall not be carried forward;
- j) A faculty member may be considered eligible for winter and summer vacation leaves with pay after completion of one year service. However, non-teaching staff members who have completed one year service may be considered for 10 days paid leaves in an academic year;
- k) If an employee has been assigned official duty on public holidays / weekly off, he shall be entitled for a compensatory off on a working day;
- l) Confirmed faculty members may be eligible for maximum three days paid leave for attending academic programmes like seminar, conferences, workshop, paper presentation, resource person etc..

5.22 **Retirement:-**

- m) Non-teaching category employees shall retire on attaining the age of superannuation, which is presently 58 years;
- n) Teaching category employees shall retire on attaining the age of superannuation , which is presently 62 years;

5.23 **Transfer:-**

- o) Services of non-teaching employees are transferable to other Departments or Branches of ICEEM;
- p) During the tenure of employment in ICEEM an employee shall not take any part time / full time employment/assignment elsewhere in any capacity whatsoever with or without remuneration;
- q) The services of an employee shall be governed by the rules and regulations of ICEEM , AICTE, DTE and Dr. Babasaheb Ambedkar Marathwada University , Aurangabad, made applicable from time to time;
- r) The management shall have the right to assign any other duties in ICEEM for which an employee is considered competent;

5.24 **Termination:-**

- s) The services of an employee appointed on Ad-hoc basis or the services of an employee working on probation may be terminated without giving any notice and without assigning any reason. However, the services of a confirmed employee may be terminated by giving three months' notice in writing or on payment of three month's salary in lieu of notice period;
- t) Services of an employee may be terminated without any notice or pay in lieu of notice period at any time in the following eventualities :

- i) The particulars supplied in employment application or at the time of interview are found incorrect.
- ii) Guilty of misconduct, dishonesty, willful negligence, disobedience, misappropriation, criminal charges etc.

5.25 **Provident Fund:-**

- u) ICEEM shall adhere to the rules of P.F. Act 1952 and shall provide CPF to the employees;
- v) ICEEM shall pay employer's contribution of PF;

5.26 **Salary:-**

- w) Employees appointed on contract/ ad-hoc basis shall be paid consolidated salary approved by GMC;
- x) Regular and confirmed faculty members may be paid as per the latest UGC scale;
- y) The salary shall be paid by crediting the amount to the Bank Account of respective employees;

5.27 **Failure and Punishment:-**

Punishment shall be commensurate with the deviation or failure proved.

Punishments shall be ordered by the appointment approving authority only. An employee may appeal against the order to the appeals committee of BOG.

ICEEM shall follow the following procedure for deviation or failure

- i) A warning letter;
- ii) Show cause notice;
- iii) Enquiry by internal committee or an External inquiry officer;
- iv) Charge sheet;

v) Punishment order;

vi) Appeal (if any).

## 5.28 **Employee Development**

ICEEM believes in continuous development of its employees, and shall introduce various programmes. The frame work of Employees Development Programmes shall be as follows:-

## 5.29 **Faculty Development:-**

ICEEM aims to provide best teachers for teaching and learning process. For this purpose, ICEEM shall adopt various faculty development programmes to improve teaching and communication skills, awareness of Research, Organizing abilities etc., The programme shall consist of the following :-

1. Induction and Orientation programme in respect of Mission, Vision , Values of ICEEM.
